

BDM PUBLIC SCHOOL

CURRICULUM:

The school follow the syllabus on the basis of curriculum prescribed by NCERT/CBSE for the Primary, Middle and Senior Secondary classes.

The school follow syllabus and course as per scheme of studies prescribed by the Board for Secondary/Sr. Secondary School Examination and changes made here in from time to time.

THE SCIENCE OF EDUCATION:

Education is as much a science as an art, that's why over last two decades, we have evolved a proven methodology of imparting integral education to our students.

BEGINNERS

At this stage, we carry out the function of a "School" i.e. to teach. The focus is on development of language skills, both oral & written, mathematics and on the development of motor skills, mind-body co-ordination etc.

LEARNERS

The focus is on students learning through a continuous process of demonstrations made by the teachers. Teachers use tools such as Presentations, Field visit, Movie viewing, Slide show, Exhibitions, Dramas, Recitations. Students are introduced to the variety of curricular & non – curricular subjects. A special course of study at this stage is the subject of "What is learning? How does one learn? What are the methods & tool for learning?"

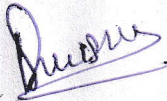

MOVERS

The focus is on students learning through Explorations, Experiments, Project Work & Research. Students are introduced to new more specialized fields of knowledge within the streams of Science & Social Study.

SCHOLARS

Facilitators and mentors at this stage are attentive and supportive to each student's individual developmental needs. They also a counselor profile for each student to help them chart their growth part.
